FAQs

What do I need?

Everything you need to play! Bring your models, dice, Character cards, Tactics Cards, Crisis Cards, Measuring widgets and probably some super glue.

What releases are allowed?

1. If you own the official model and it is on the official affiliation list you can use it. - Character Cards must be the AMG official cards (ask if you need to borrow)
2. Tactics Cards and Crisis cards may be printed
3. As everyone will have printed Crisis cards, please bring a D6 to randomise which crisis is chosen each game (or other fair method to randomise selection is cards are easy to tell apart, eg crit crit wild, dice app ect.)

Are miniature Proxies allowed ? see the challenger rules

Do I need to use fully painted models?

No, but strongly encouraged - we want to dazzle anyone walking by and convince them they want to play this amazing game - also there will be painting prizes and you will only be eligible if your entire roster is painted.
